

Title: Life is but a dream

- Bismillahir Rahmaanir Raheem  
- In the Name of Allah,  
The Entirely Merciful,  
The Especially Merciful

### Text/Matn

Life is akin to a dream,  
albeit the fact that you  
are responsible for your  
actions during your waking  
and sane states & after you  
gain reach puberty  
sooner, rather than  
later, one reaches death, where  
one soul enters the abode  
of eternity; either to eternal  
bliss or eternal torment

May Allah guide us all  
Ameen
